A VIEW TO THE FUTURE IN BOLIVIA

- *Highest priority has the ratification of UN Conventions against Transnational Organized Crime and against Corruption*
- *Development of operational activities in crime prevention*
- *Agroforestry and forest management in support of Kyoto Protocol.*
- *Drug abuse prevention at the community level.*

Country Office COLOMBIA (total budget US\$ 13.2 million)

OUTREACH IN COLOMBIA

Eight projects worth US\$ 13.1 million in:

- Sustainable livelihoods
- Prevention, treatment and rehabilitation
- Counter-narcotics enforcement
- Anti-corruption
- Anti-human trafficking

OUTREACH IN COLOMBIA

Sustainable livelihoods

- Voluntary eradication: The Government provides monetary incentives to families who commit themselves to re-forest the zone, protect the natural national parks and stay free of coca crops.
- Verification and monitoring: UNODC verifies coca-free areas before the Government pays the incentive
- Support to social, economic and environmental projects: UNODC provides technical assistance to participant families

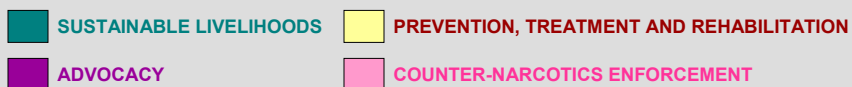

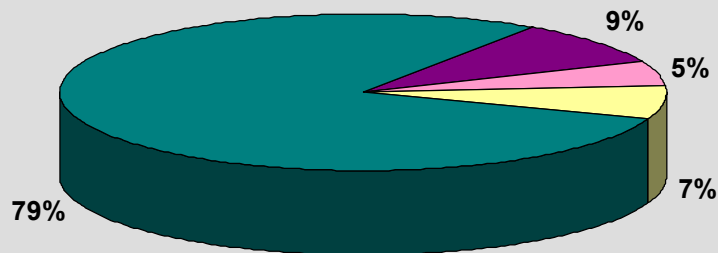

A VIEW TO THE FUTURE

- Continue the support to the implementation of the Colombian Drug Master Plan at decentralized level, expand to other countries together with CICAD
- Increase of outreach of sustainable livelihood schemes to farmer families who have eliminated illicit crops
- Innovative funding schemes such as debt swaps, cost-sharing, IFIs

Country Office Peru/Ecuador
(total budget US\$ 27.8 million)

UNODC Programme in Latin America and the Caribbean
2005
