

No. 20 of 2007.

*Precursor Chemicals
Act, 2007.*

Saint Christopher
and Nevis.

I assent,

CUTHBERT M SEBASTIAN
Governor-General.

5th November, 2007.

SAINT CHRISTOPHER AND NEVIS

No. 20 of 2007

AN ACT to provide for the monitoring and control of precursor chemicals and other chemical substances used or capable of being used in any type of illicit transaction involving narcotic drugs and psychotropic substances or other substances having a similar effect and for matters connected therewith or incidental thereto.

[Published 5th November 2007, Extra-Ordinary Gazette No. 60 of 2007.]

BE IT ENACTED by the Queen's Most Excellent Majesty by and with the advice and consent of the National Assembly of Saint Christopher and Nevis and by the Authority of the same as follows:

PART I Preliminary

1. This Act may be cited as the Precursor Chemicals Act, 2007 and shall come into operation on a date to be appointed by the Minister by notice published in the *Gazette*.

Short title and commencement.

2. (1) In this Act unless the context otherwise requires -

Interpretation.

“authorised officer” means a police officer, a customs officer or any person or class of persons designated by the Minister as an authorised officer;

“competent authority” means the competent authority designated by the Minister by order pursuant to section 3;

“Comptroller of Customs” means the Comptroller of Customs appointed pursuant to section 4 of the Customs Control and Management Act, No. 4 of 1992;

“customs transit” means the procedure whereby a specified chemical substance is transported under customs control from one customs office to another within the same customs territory or as an inter-territorial customs operation;

“distribution” means the transfer of a specified chemical substance from one person to another;

“in transit” includes any occasion on which any specified chemical substance remains on board an aircraft, ship or other form of transport;

“Licensee” means the holder of a licence granted under this Act;

“manufacture” means the processes whereby precursor chemicals and other chemical substances are obtained including the refining, formulating, preparing, mixing, compounding and transformation of such precursor chemicals and other chemical substances into other precursors or other products;

“Minister” means the Minister responsible for National Security;

“other chemical substances” include substances such as solvents, reagents or catalysts that, though not precursors, can be used in the production, manufacture or preparation of narcotic drugs, psychotropic substances or other substances having similar effects;

“precursor chemical” means any substance which –

- (a) can be used in any of the chemical processes involved in the production, manufacture or preparation of narcotic drugs, psychotropic substances or substances having a similar effect, and
- (b) incorporates its molecular structure into the final product making it essential for those processes;

“preparation” means the process and result of obtaining precursors, other chemical substances, narcotic drugs, psychotropic substances or other substances having a similar effect;

“prescribed activity” means –

Precursor Chemicals Act, 2007 – 20.

- (a) in relation to a precursor chemical, the production, manufacture, preparation, distribution, importation or exportation of any such chemicals;
- (b) in relation to any other chemical substance the importation, manufacture or exportation of any such chemical substance in significant quantities;

“production” includes the extraction of precursors from natural organisms;

“specified chemical substance” means -

- (a) a precursor chemical listed in Table I of the First Schedule;
- (b) any other chemical substance listed in Table II of the First Schedule;

“trans-shipment” includes the customs procedures whereby precursors or other chemical substances are transported under the control of customs from one customs office to another within the same customs territory or as an inter-territorial customs operation.

(2) For the purposes of this Act an amount of a chemical substance shall be regarded as a significant quantity if the use thereof exceeds such quantity as the Minister may by order prescribe in relation to the use of that specified chemical substance.

PART II
Administration

3. (1) For the purposes of this Act the Minister may, by Order, designate a competent authority.

Competent
authority.

- (2) The functions of the competent authority shall be-
 - (a) to advise the Minister generally on, and keep under review, matters of policy relating to specified chemical substances which are being, or appear likely to be, misused;
 - (b) to carry out the monitoring, control and investigation of any prescribed activity;
 - (c) to ensure the application of a surveillance system on any movement of specified chemical substances into or out of Saint Christopher and Nevis;

Precursor Chemicals Act, 2007 – 20.

- (d) to grant licences in respect of any prescribed activity;
- (e) to grant export or import permits in respect of any specified chemical substance;
- (f) to assist in promoting public awareness of the potential illicit use of specified chemical substances in the manufacture of narcotic drugs and psychotropic substances or other substances having a similar effect and in fostering an understanding of the control and monitoring of such substances; and
- (g) to perform such other functions pertaining to the monitoring and control of specified chemical substances as may, from time to time, be assigned to it by the Minister.

PART III**Monitoring and Control of Specified Chemical Substances**

Prohibition of prescribed activities.

4. Except under and in accordance with the provisions of this Act and any Regulations made hereunder, no person shall engage in any prescribed activity.

Identification of specified chemical substances.

5. (1) Subject to subsection (2), all specified chemical substances imported into Saint Christopher and Nevis shall be identified by the names and digital classification under which they are listed in the Harmonized Commodity Description and Coding System and such names and digital classification shall also be used in statistical records and documents pertaining to the importation, exportation, transit and trans-shipment of such specified chemical substances.

(2) Where the names and digital classification mentioned in subsection (1) are not available, the specified chemical substances imported into Saint Christopher and Nevis shall be identified by their scientific names.

PART IV**Grant, Refusal, Suspension and Revocation of Licence or Permit and Appeals**

Application to engage in prescribed activity.

6. (1) Any person who proposes to engage in any prescribed activity shall, subject to section 7, apply in the prescribed form and manner to the competent authority for a licence to engage in such prescribed activity.

(2) An application under subsection (1) shall be accompanied by the prescribed fee and such information or document as may be prescribed or as the competent authority may require.

(3) The competent authority shall, upon receipt of an application under subsection (1), cause to be carried out an inspection of the premises where the prescribed activity is to be carried out.

7. (1) Any person who proposes to export or import a specified chemical substance shall, in addition to applying for a licence under section 6(1), apply to the competent authority in the prescribed form for a permit to export or import such specified chemical substance.

Application for permit to export or import specified chemical substance.

(2) A separate application shall be made in respect of each specified chemical substance to be exported or imported.

(3) An application under subsection (1) shall be accompanied by the prescribed fee and such information or document as the competent authority may require.

8. (1) Where an application is made under section 6 or 7 for a licence or permit, as the case may be, the competent authority may -

Grant or refusal of licence or permit.

- (a) subject to subsection (2), grant the licence or permit; or
- (b) refuse to grant such licence or permit on any of the grounds specified in section 10.

(2) The competent authority may impose such conditions as it considers necessary on the grant of a licence or permit.

(3) Where the competent authority refuses to grant a licence or permit under subsection (1), it shall inform the applicant in writing of such refusal stating the reasons for the refusal.

9. (1) A licence or permit granted under section 8(1) shall -

- (a) not be transferable; and
- (b) be valid for the period specified therein.

Non-transferability and validity of licence or permit.

(2) A separate permit shall be granted in respect of each specified chemical substance to which an application relates and such permit shall be valid for one shipment only.

10. The competent authority shall refuse to grant a licence or permit under this Act -

Grounds for refusal to grant licence or permit.

- (a) where the issue of the licence or permit would not be in the public interest;
- (b) where an application contains or is based on a false or misleading representation or information which is false in a material particular.
- (c) to an individual who -
 - (i) is under the age of eighteen years;

- (ii) is an undischarged bankrupt;
 - (iii) has, during the period of ten years immediately preceding the application, been convicted of an offence prescribed by the Minister (hereinafter in this section referred to as a prescribed offence);
- (d) to a body corporate -
- (i) in respect of which a resolution has been passed for voluntary winding up or an order for winding up has been made by a court of competent jurisdiction;
 - (ii) if a receiver has been appointed to manage any of its assets;
 - (iii) if that body corporate or any of its directors has been convicted of a prescribed offence during the period of ten years immediately preceding the application;
- (e) if in the opinion of the competent authority the applicant is not a fit and proper person to be granted a licence or permit; or
- (f) where the security arrangements at the premises or place where a prescribed activity is to be carried out or is being carried out, are inappropriate or insufficient.

Prohibition on grant of permits retrospectively.

11. The competent authority shall not issue a permit retrospectively.

Suspension of licence.

12. (1) The competent authority may suspend a licence for a breach of any provision of this Act or any Regulations made hereunder or of any condition subject to which the licence is granted.

(2) Where the competent authority suspends a licence it shall notify the licensee in writing –

- (a) stating the breach which gave rise to the suspension;
- (b) requiring the holder of the licence to remedy the breach;
- (c) stating the time within which the breach is to be remedied; and
- (d) stating that the licence is to be returned within a specified time to the competent authority.

(3) The licensee may, upon remedying the breach, so inform the competent authority which shall, if it is satisfied that the breach is remedied, forthwith return the licence to the licensee.

13. (1) The competent authority may, subject to subsection (2)-

Revocation of
licence or permit.

(a) revoke a licence or permit if it is satisfied that-

- (i) the application for the licence or permit contained any false or misleading information in any material particular; or
- (ii) changes in circumstances have occurred which justify such revocation;

(b) revoke a licence if-

- (i) the licensee has failed to comply with a notice under section 12(2) requiring the licensee to remedy the breach specified in that notice within the time so specified; or
- (ii) a change has occurred in the security arrangements implemented at the premises on which a prescribed activity is carried out, including a change in the persons under whose supervision the prescribed activity is carried out.

(2) The competent authority shall, before revoking a licence or permit, inform the licensee or the holder of the permit of the reason for the proposed revocation and shall afford the licensee or holder of the permit an opportunity to show cause why the licence or permit should not be revoked.

14. (1) A person who is aggrieved by the decision of the competent authority to refuse to grant a licence or permit, to suspend a licence or permit or, to revoke a licence or permit may appeal in writing to the Minister within fourteen days of the date of notification of the decision.

Appeals.

(2) The appeal shall set out clearly the grounds of the appeal and shall be accompanied by copies of any correspondence, documents or statements relevant to the appeal.

(3) A copy of the appeal together with copies of any correspondence, document or statement shall be served on the competent authority.

(4) The Minister shall, within fourteen days of the receipt of an appeal under subsection (1), request the competent authority to furnish him, within fourteen days, with a statement in writing setting out the reasons for its decision.

(5) The Minister may order that any books, paper, document or statement relating to the appeal which is in the possession of the appellant or the competent authority be produced at the hearing of the appeal.

(6) The Minister shall cause all parties to the appeal to be informed-

- (a) of the date of the hearing of the appeal;
- (b) that they may appear in person or by their representatives; and
- (c) that they may summon witnesses in their cause.

(7) Upon the hearing of the appeal, the Minister shall make such decision as he thinks fit and shall notify the parties of his decision.

(8) A person aggrieved by a decision of the Minister may appeal to a judge of the High Court, and the judge's decision shall be final.

Part V Registers

Register to be kept by competent authority.

15. The competent authority shall keep such register or registers in which shall be entered such particulars as may be prescribed.

Records and register to be kept by holder of licence or permit.

16. (1) Every licensee or holder of a permit granted under section 8(1) shall keep or cause to be kept a register containing the particulars set out in the Second Schedule.

(2) Any entry contained in a register referred to in subsection (1) shall be duly amended on the authority of the competent authority.

(3) The register and all books, records or other documents relating to entries therein shall be kept for a period of a least seven years after the end of the calendar year of the last entry in the register.

(4) The register shall be open to inspection by the competent authority and the central authority at all reasonable times.

PART VI Commercial Documents and Security

Notification of changes.

17. (1) Where, in relation to any licence or permit granted to any person pursuant to section 8(1), a change occurs in relation to any matter which may be prescribed pursuant to section 40(1) (o), the person shall, within fourteen days of such change, give notice in writing to the competent authority containing full particulars of the change and shall, if so requested by the competent authority, return the licence or permit to the competent authority.

Precursor Chemicals Act, 2007 – 20.

(2) The competent authority shall submit a copy of the notice to the Ministry of National Security within seven days of receipt thereof.

18. Every commercial document, including an invoice, cargo manifest or a customs, transport and other shipping document, relating to any prescribed activity involving a specified chemical substance shall include-

Commercial documents.

- (a) the name of the substance as listed in the First Schedule.
- (b) the name and business addresses of the exporter, the importer and the supplier; and
- (c) the registration number of the vehicle used in transporting the specified chemical substance.

19. Where the competent authority issues an import permit under section 7(1), the importer shall, as soon as possible after its receipt, forward a copy of the permit to the exporter named in the permit.

Forwarding of import permit to exporter.

20. (1) Within fourteen days after the entry into Saint Christopher and Nevis of a consignment to which the import permit relates, the competent authority shall cause a copy of the relevant document to be returned to the appropriate authority in the exporting country with the endorsement specifying the quantity of each specified chemical substance actually imported.

Endorsement and return of export permits following import.

(2) In subsection (1) “relevant document” means a document issued by the Government of the exporting country or territory permitting the export of the specified chemical substance.

21. (1) Where in relation to the import of a specified chemical substance to which this Act relates-

Seizure and detention of improperly documented or undocumented consignments.

- (a) the competent authority has reasonable grounds to believe that the import permit in respect thereto is false, or has been obtained by fraud or willful misrepresentation of a material particular; or
- (b) the competent authority has not issued an import permit or has not received a copy of the export permit issued by the competent authority in the country from which the specified chemical substance is exported to Saint Christopher and Nevis,

the Comptroller of Customs shall detain the consignment until the integrity of the consignment is certified by the competent authority.

(2) Where pursuant to subsection (1), the competent authority-

Precursor Chemicals Act, 2007 – 20.

- (a) certifies the integrity of any consignment, the Comptroller of Customs shall forthwith release the consignment to the person lawfully entitled to it, upon the payment of the appropriate duty; or
- (b) is unable to certify the integrity of any consignment, the Comptroller of Customs shall seize the consignment and forthwith forward the consignment to the competent authority.

(3) The competent authority shall, on receipt of any specified chemical substance which is seized pursuant to subsection (2) (b), dispose of such substance in the prescribed manner.

Storage and delivery following import.

22. Every specified chemical substance shall-

- (a) on importation, be kept at a customs warehouse at the expense of the importer; and
- (b) be delivered or taken from the customs warehouse only on production of a customs release under the Customs Control and Management Act, No. 4 of 1992 by a person authorised in that behalf.

PART VII**Offences and Penalties**

Offence of unlawfully engaging in prescribed activity and unlawful trade in specified chemical substances.

23. (1) Every person who-

- (a) engages in any prescribed activity without being licensed so to do; or
- (b) exports or imports any specified chemical without a permit so to do,

commits an offence and shall be liable on summary conviction to a fine not exceeding four hundred thousand dollars or to imprisonment for a term not exceeding three years or to both such fine and imprisonment.

(2) Every person who-

- (a) engages in any prescribed activity involving any specified chemical substance knowing that such substance is intended to be used in any type of illicit transaction involving narcotic drugs and psychotropic substances or other substances having a similar effect; or
- (b) knowingly organises, manages or finances any activity referred to in paragraph (a),

commits an offence and shall be liable, on summary conviction to a fine not exceeding four hundred thousand dollars or to imprisonment for a term not exceeding three years or to both such fine and imprisonment.

*Precursor Chemicals Act, 2007 – 20.*

24. Every person who has in his possession contrary to the provisions of this Act, any specified chemical substance commits an offence and shall be liable-

Offence of unlawful possession of specified chemical substances.

- (a) on summary conviction to a fine not exceeding four hundred thousand dollars or to imprisonment for a term not exceeding three years or to both such fine and imprisonment; or
- (b) on conviction on indictment to imprisonment for a term not exceeding ten years.

25. (1) Notwithstanding anything to the contrary in any other enactment, a person commits an offence if, except under and in accordance with the provisions of this Act, that person –

Offence of using a postal service for transporting specified chemical substances.

- (a) encloses in any letter, parcel, packet or other matter sent by post, any specified chemical substance; or
- (b) uses any mail bag or mail van, aircraft, vessel or other conveyance used for the carrying of mail for the transportation of any such specified chemical substance.

(2) A person who is convicted of an offence under this section shall be liable-

- (a) on summary conviction-
 - (i) in the case of a first offence, to a fine not exceeding three hundred thousand dollars or to imprisonment for a term not exceeding one year, or to both such fine and imprisonment; and
 - (ii) in the case of a second or subsequent offence to a fine not exceeding five hundred thousand dollars or to imprisonment for a term not exceeding five years, or to both such fine and imprisonment; or
- (b) on conviction on indictment to imprisonment for a term not exceeding ten years.

(3) In subsection (1)-

- (a) “mail bag” has the meaning assigned to it in the Post Office Act, Cap 201; and
- (b) “post” includes a private courier service.

26. Every person who-

- (a) for the purposes of obtaining, whether for himself or herself or for any other person, the issue or grant of

Offence of making false or misleading statements.

Precursor Chemicals Act, 2007 – 20.

- any licence or permit under this Act, makes any declaration or statement which is false or misleading in any particular;
- (b) furnishes to an authorised officer or other person performing any duty in relation to this Act, a document which, to his knowledge, contains information which is false, inaccurate or misleading in any particular;
 - (c) knowingly utters, produces, or makes use of any such declaration or statement or any document, including any record or entry in a register containing any false declaration or statement;
 - (d) falsifies, obtains by fraud or amends without authority, any information contained in a register, licence or permit;
 - (e) fails to make a report, or falsifies any report required pursuant to this Act,

commits an offence and shall be liable on summary conviction to a fine not exceeding three hundred thousand dollars or to imprisonment for a term not exceeding three years, or to both such fine and imprisonment.

Offence in relation to supply or acquisition of specified chemical substances.

27. (1) A person who is granted a licence or permit under section 8 (1) shall not supply to or acquire from another person any specified chemical substance unless that other person is also the holder of a licence or permit, as the case may be.

(2) A person who contravenes the provisions of subsection (1) commits an offence and shall be liable on summary conviction to a fine not exceeding three hundred thousand dollars or to imprisonment for a term not exceeding three years or to both such fine and imprisonment.

Offence of aiding and abetting commission of offence.

28. (1) A person commits an offence if:

- (a) he or she aids, abets, counsels or procures, the commission of an offence against this Act;
- (b) he or she procures the commission at any place outside the State, or participates in or conspires to commit any offence punishable under the provisions of any corresponding law in force in that place; or
- (c) he or she does not act preparatory to, or in furtherance of any act which, if committed in the State would constitute an offence against this Act.

(2) A person who commits an offence under subsection (1) shall be liable on summary conviction to a fine not exceeding two hundred

thousand dollars or to imprisonment for a term not exceeding two years or to both such fine and imprisonment.

29. Any person who threatens, assaults or obstructs an authorised officer acting in the execution of his or her duties under this Act, commits an offence and shall be liable on summary conviction to a fine not exceeding fifty thousand dollars or to imprisonment for a term not exceeding one year.

Offence of threatening, etc. authorised officer.

30. Every person who fails to keep any register, records or other documents required by this Act to be kept commits an offence and shall be liable on summary conviction to a fine not exceeding fifty thousand dollars, or to imprisonment for a term not exceeding one year or to both such fine and imprisonment.

Offence of failure to keep records and documents.

31. In any prosecution for an offence against this Act, proof that a package containing any article to which this Act applies bore a name or address purporting to be that of the person by whom it was manufactured or packaged is, in the absence of evidence to the contrary, proof that the article was manufactured or packaged, as the case may be, by the person whose name and address appear on the package.

Presumption as to manufacturer or packager.

32. If in any prosecution for an offence against this Act it is proved that a sample which was taken from any specified chemical has particular properties, it shall be presumed, until the contrary is proven, that the whole of such substance possesses the same properties.

Presumptions relating to samples.

33. Where an offence under this Act or any Regulations made under this Act has been committed by a body corporate or is proved to have been committed with the consent or connivance of, or be attributable to any negligence on the part of, any director, manager, secretary or other officer of the body corporate, the director, manager, secretary or other officer of the body corporate as well as the body corporate shall be liable to be proceeded against and punished accordingly.

Offence by body corporate.

PART VIII

Enforcement

34. (1) For the purposes of this Act, an authorised officer may, at all reasonable times during business hours enter the business premises of any licensee or any person reasonably suspected of being engaged in a prescribed activity involving any specified chemical substance and inspect any such substance, the labeling and storage thereof, and any book, document, permit, certificate or record or things found thereon.

Powers of entry, inspection and seizure.

(2) An authorised officer may, during the course of an inspection pursuant to subsection (1)-

Precursor Chemicals Act, 2007 – 20.

- (a) seize and detain any specified chemical substance found on the premises which he reasonably believes is being used in contravention of any provision of this Act;
- (b) take samples of any substance found on the premises in order to determine the type of substance.

(3) Where any specified chemical substance is seized and detained under subsection (2) (a), the authorised officer shall store or cause the substance to be stored in the prescribed manner, and the substance shall be disposed of in the manner prescribed.

Vehicles, etc.
may be seized
and detained.

35. (1) Where an authorised officer has reasonable cause to suspect that any vehicle, aircraft, vessel, article, enclosure, container or other storage facility, device or apparatus (hereinafter referred to as “specified equipment”) is being used or has been used in the commission of an offence against this Act, such authorised officer may, without warrant, search the specified equipment, and if such search reveals evidence that the specified equipment is being used or has been used for the commission of any offence as aforesaid, the authorised officer may seize and detain that equipment.

(2) Where any specified equipment is seized pursuant to this section and-

- (a) any person is convicted of an offence against this Act; and
- (b) the Court is satisfied that-
 - (i) the person owns the specified equipment used in the commission of the offence;
 - (ii) the owner thereof permitted it to be so used; or
 - (iii) the circumstances are otherwise such that it is just to do so,

the Court shall, upon the application of the Director of Public Prosecutions, order the forfeiture of the specified equipment.

(3) On the application of the Director of Public Prosecutions before a Court pursuant to subsection (2), the Court may, notwithstanding that the conditions mentioned in subsection (2) have not been satisfied, order the forfeiture of the specified equipment if the Court is satisfied that-

- (a) the specified equipment has been abandoned; or
- (b) the circumstances in which the specified equipment was seized give reasonable cause to suspect that the specified equipment was being used or had been

used for the purpose of committing an offence against this Act,

and that it is otherwise just to do so.

(4) Where the Director of Public Prosecutions proposes to apply for forfeiture of any specified equipment under subsection (3), he shall give to any person who, to his knowledge was at the time of the seizure, the owner thereof, notice of the seizure and the intention, after the expiration of thirty days from the date of the notice, to apply for forfeiture thereof and of the grounds therefor, so, howsoever, that notice shall not be required to be given under this subsection if the seizure was made in the presence of the owner or any servant or agent of the owner.

(5) Any person having a claim to any specified equipment seized under this section may appear before the Court on the hearing of the application and show cause why an order for forfeiture should not be made.

(6) Where, on the hearing of an application pursuant to subsection (5), no person appears before the Court to show cause as mentioned in that subsection, the Court shall presume that the specified equipment has been abandoned.

(7) If, upon the application of any person prejudiced by an order made by the Court under subsection (2) or (3), the Court is satisfied that it is just to revoke that order, the Court may revoke it upon such terms and conditions as it deems appropriate, and, without prejudice to the generality of the foregoing, shall require the person to pay in respect of storage, maintenance, administrative expenses, security and insurance of the specified equipment, such charge as shall be imposed by the appropriate government agency and approved by the Court, not exceeding one and a half times the value of the specified equipment as determined by the Court.

(8) An application to the Court under subsection (7), for the revocation of an order shall be made within thirty days of the date of the order or such longer period, not exceeding six months from that date as the Court may allow.

36. (1) An authorised officer may, without warrant, arrest any person where the authorised officer has reasonable grounds to believe that the person has committed or is committing an offence against this Act.

Arrest without
warrant.

(2) Where an authorised officer arrests a person under subsection (1), he shall produce his identification card for inspection to that person unless it is not reasonably practicable to do so.

(3) Where a person is arrested under subsection (1), an authorised officer shall immediately bring or cause the person to be brought to the nearest police station.

Search warrant.

37. (1) Where a Magistrate is satisfied by information on oath by an authorised officer that there is reasonable ground for suspecting-

- (a) there is in the possession or under the control of any person on any premises in contravention of the provisions of this Act or of any Regulations made hereunder-
 - (i) any specified chemical substance to which this Act applies;
 - (ii) any document directly or indirectly relating to or connected with any transaction or dealing in any such substance which, if carried out would be an offence against this Act;
 - (iii) any document relating to a transaction or dealing carried out or intended to be carried out in any place outside the State which would be an offence against the provisions of any corresponding law in force in that place; or
 - (iv) that an offence against this Act has been committed on any premises in relation to such specified chemical substance, the Magistrate may grant a search warrant in accordance with subsection (2).

(2) A warrant referred to in subsection (1) shall authorise the authorised officer named in the warrant, at any time or times within one month from the date of the warrant, to-

- (a) enter the premises mentioned in subsection (1) if need be by force and seize and detain any document mentioned in that subsection or specified chemical substance; or
- (b) detain anything that the authorised officer believes, on reasonable grounds, will afford evidence as to the commission of a criminal offence.

PART IX

Miscellaneous

Power to limit stock.

38. (1) On or before the prescribed date in each year, the Minister shall determine the maximum quantities of each specified chemical substance which may be manufactured or kept as stock by each person

to whom a licence or permit is granted under this Act in the conduct of that person's business during the following year.

(2) The Minister may, on an application made by a person to whom a permit is granted, amend any quota determined pursuant to subsection (1) and any such amendment shall be forthwith notified in writing to each person to whom a permit is granted.

39. (1) The Minister may, by order, amend the Schedules.

Amendment of
Schedules.

(2) Where the First Schedule is amended pursuant to subsection (1), a report thereof shall be made to such persons or organisations as may be prescribed.

40. (1) The Minister may make Regulations for the purposes of giving effect to the provisions of this Act, and in particular, but without prejudice to the generality of the foregoing, such Regulations may contain provisions in relation to -

Regulations.

- (a) the adoption of international standards and recommended practices for the monitoring and control and storage of specified chemical substances;
- (b) the form of application for a licence or permit under this Act;
- (c) the fees payable in respect of any such licence or permit;
- (d) the keeping of records, books, electronic data or other documents in respect of specified chemical substances that are required to be kept under this Act;
- (e) the furnishing of information with respect to specified chemical substances;
- (f) standards of composition, strength, concentration, potency, purity or quality or any other property of any specified chemical substance;
- (g) the method of production, preservation, testing, packaging or storage of any specified chemical substance;
- (h) the premises, processes or conditions for the manufacture, sale or supply of any specified chemical substance;
- (i) the qualifications of persons engaged in the production, preservation, testing, packaging, storage, selling, supplying or otherwise dealing in any specified chemical substance;

Precursor Chemicals Act, 2007 – 20.

- (j) the labeling, packaging, size, dimensions, fill and other specifications of packages, and the transportation, delivery, sale, supply or other dealing in any specified chemical substance;
- (k) the powers and duties of authorised officers in relation to the enforcement of the Act and the Regulations;
- (l) the detention and disposal of any specified chemical substance;
- (m) the taking of samples of specified chemical substances;
- (n) the exemption, on such terms and conditions as may be specified, of any person or class of persons or any specified chemical substance from the application of all or any of the provisions of this Act;
- (o) the matters of which the competent authority is to be informed when a change occurs in relation thereto; and
- (p) any other matter required by this Act to be prescribed.

(2) Regulations made under subsection (1) may provide for the imposition of penalties on summary conviction not exceeding a fine of two hundred thousand dollars or imprisonment for a term not exceeding six months or to both such fine and imprisonment.

FIRST SCHEDULE

(Sections 2, 18 and 39)

The Precursor Chemicals Act, 2007

Specified Chemical Substances**TABLE 1. Precursor Chemicals**

HS	Name	Synonyms
2914.31	1-Phenyl-2 Propanone	
2932.92	3, 4-Methylenedioxyphenyl -2- propanone	
2924.22	N-acetylanthranilic acid and its salts	
2939.49	Phenylpropanolamine its salts, optical isomers, and salts of its optical isomers salt	

2932.91	Isosafrole and its optical isomers	1, 2-Methylenedioxi 4 propenylbenzene
2932.94	Safrole	Aliylecatechol Methylene Ether
2939.63	Lysergic Acid	
2939.41	Ephedrine, its salts, optical isomers, and salts of its optical isomers	
2939.61	Ergometrine and its salts	Ergonovine and its salts
2939.62	Ergotamine and its salts	Ergonovine and its salts
2932.93	Piperonal	Piperonylaldehyde
2939.42	Pseudoephedrine, its salts, optical isomers and salts of its optical isomers.	

TABLE II. Other Chemical Substances

HS	Names	Synonyms
2922.43	O-aminobenzoic and its salts	Anthranilic Acid and its salts
2806.10	Hydrochloric Acid	Muriatic Acid Hydrogen Chloride
2807.00	Sulfuric Acid	Hydrogen Sulfate
2814.20	Ammonia (in aqueous solution)	
2814.10	Ammonia (anhydrous)	
2815.20	Potassium Hydroxide	Caustic Potash
2815.11	Sodium Hydroxide	Caustic Soda
2833.19	Sodium Sulfate	Disodium sulfate
2836.40	Potassium Carbonate	Potash
2836.20	Sodium Carbonate	Soda Ash, Washing Soda
2841.61	Potassium Permanganate	
2901.10	Hexane	N-Hexane
2902.20	Benzene	

2902.30	Toluene	Methylbenzene
2707.30	Xylenes	O-Xylenes, Xylenes, p-Xylenes
2903.12	Methylene Chloride	Dichloro-methane
2909.11	Ethyl Ether	Sulfuric Ether, Ethyl Oxide, Diethyl Ether
2914.11	Acetone	Propane
2914.12	Methyl Ethyl Ketone	Butanone
2914.13	Methyl Isobutyl Ketone	Isopropilacetone
2915.21	Acetic Acid	
2915.24	Acetic Anhydride	Acetic Ether, Acetic Acid, Ethyl Ester
2915.31	Ethyl Acetate	
2916.34	Phenylacetic Acid and its salts	
2933.39	Piperidine Isopropyl Alcohol	

SECONDSCHEDULE

(Section 16)

Information to be included in register kept by holder of licence or permit

1. In the case of a natural person the full name and private address of the holder of the permit or licence or if the holder is a company, the full name and address and residential address of each director.
2. The date of grant of the permit or licence.
3. The name of every precursor chemical or other chemical substance, popular name and digital classification under which it is listed in the Harmonized Commodity Description and Coding System (HS).
4. The main activities being conducted by the holder of the permit or licence.
5. The amount of any precursor chemical of other chemical substance produced, manufactured or prepared.
6. The amount of any precursor chemical or other chemical substance received from other person or body.
7. The amount of any precursor chemical or other chemical substance imported.

Precursor Chemicals Act, 2007 – 20.

8. The amount of any precursor chemical or other chemical substance used to manufacture or prepare other products.
9. The amount of any precursor chemical or other chemical substance distributed internally.
10. The amount of any precursor chemical or other chemical substance exported.
11. The quantity of existing stock.
12. The amount of any precursor chemical or other chemical substance lost through accident, pilferage or other means.
13. Transactions referred to in paragraphs 4, 5, 6 and 7 shall include the following information -
 - (a) the date of the transaction;
 - (b) the name, address, and registration number of each party to the transaction and those of the final consignee if not one of those parties;
 - (c) the name, amount and form of presentation of the precursor chemical or other chemical substance;
 - (d) the means of transportation and identification of the transport company.

MARCELLA A LIBURD
Speaker

Passed by the National Assembly this 24th day of October, 2007.

JOSÉ LLOYD
Clerk of the National Assembly
